MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM :

SUBJECT : East-West Policy Study

1. State has asked for comment by COB today on a number of changes to the East-West Policy Study that were agreed in principle at yesterday's SIG meeting. Only one poses a problem and  seems to have resolved it. (See his note attached.) Do you have any further guidance before we communicate our concurrence?

2. This issue will be placed on the NSC agenda this week. Any feedback you might have from the SIG discussion would speed the preparations.
